NOTES/COMMENTS:

Dear Examiner L'Esperance:

I am submitting this Response to Discussions with you. You stated that the claims would be allowable if the features of claim 3 were included in the independent claims 1, 17 and 25. Further, antecedent basis has been corrected in the claims, and the Abstract of the Disclosure has been conformed to US style and practice. A marked-up specification is included herewith, conforming the specification to US style and practice. No new matter is added in this marked-up specification.

Applicant appreciates the opportunity to discuss the application with the Examiner and appreciates the Examiner's suggestions to make the claims allowable.

We look forward to receiving your Notice of Allowability.

Thank you for considering this submission.

Sincerely,

M. Robert Kestenbaum
